### **PAKISTAN EXPLOITING BHARAT'S DECENCY BEHEADING SIKHS CALLS FOR A WAR AGAINST PAK**

*- Dr. Togadia*

New Delhi, 22<sup>nd</sup> February, 2010

Strongly condemning the brutal beheading of 2 Sikhs & abduction of others, Dr Pravin Togadia, International Secretary General of VHP said, "Beheading Sikhs in kabaili areas of Peshawar of Pakistan is a part of Pakistan's continued Jihad against Bharat is supported by all Muslim countries & anyone who has any roots in Bharat be it Sikhs or Sanatan Dharm practitioners, are their targets. Muslim Invaders during the period they ruled Bharat, forced Islam on Sikhs and Sanatanis in Bharat & if not converted then Jazia tax was applied on them. Even presently, they have been forcing Islam & if not converted then Jazia is being forced on the Sikhs & Sanatanis in Pakistan. This is absolutely unacceptable. The way they act in Pakistan & even in Bharat on the basis Sharia, if Bharat or even Punjab alone decides to apply an eye-for-an eye rule, then it would be difficult for many. But Bharat will not do it as Bharat believes in democratic process of justice, however politically affected it is. This is exactly what Pakistan KNOWS. Therefore Pakistan keeps on doing such Ethnic Cleansing not only in Pakistan but even sponsors such heinous activities in Kashmir, Assam & now through Jehadi attacks even in places like Pune, Mumbai, Delhi, Jaipur & in many other places as we all have seen. Our government's vote bank begging mentality makes people in Bharat as well as Sikhs & Sanatanis in Pakistan, Bangladesh, Malaysia and Indonesia extremely unsafe. Pakistan has been emboldened seeing that despite the war like Jehadi attack on Mumbai & the recent attack on Pune, Bharat Government not just bends but crawls for talks with Pakistan (terming it as diplomatic effort). Pakistan's blaming such Jehadi attacks on Sikhs & Sanatanis on Taliban is just another game by Pakistan to show the world a 'me too victim' theory. The world intentionally may believe in it. But for the Bharat government to believe in such dramas is not just foolish but also a vote bank related help to Jihad!"

Demanding immediate stoppage of all talks with Pakistan until the killers of the Sikhs in Pakistan are brought to justice not in Pakistan but in Bharat or in the international courts, Dr Togadia reminded everybody of the bravery of Shri Guru Gobind Singh ji, Guru Teg Bahadur Sing ji & even Bhagat Singh ji from Punjab. Dr Togadia said, "There is a glorious history as to how Punjab led Bharat in the war against cruel Islam despite extreme brutalities on Sikhs by the Muslim rulers. Even at the time of partition, despite the wide losses, Sikhs & Sanatanis together fought against Islam with so much

courage. Even in the Indian Army, there are glorious officers from Punjab who finally led Bharat to the victory in the wars against Pakistan & China. Today, due to our government's vote bank politics, when Pakistan is misusing the vulnerability of 10,000 Sikh & some Sanatanis in Peshawar to implement its Ethnic Cleansing Jihad, it is time that we all stand up together against such Jihadi acts of BEHEADING SIKHS & THROWING THEIR HEADS IN THE GURUDWARAS! This is the worst ever humiliation of the Sikhs, Sanatanis & Bharat. The government must stop all talks with Pakistan, immediately refrain from any cultural / sports / social / trade / political relations with Pakistan & declare war against Pakistan for this. We, as a united society, should stand up democratically against such Jihadi mentality.”
