VHP DISPLEASURE ABOUT MUSLIM RESERVATION

New Delhi, 25th March, 2010

Expressing displeasure about today's Supreme Court's interim order giving 4% reservation to 14 castes of Muslims, VHP International Secretary General Dr. Pravin Togadia said, "The castes allowed to get 4% reservation as Muslim castes are already getting benefit of 27% reservation benefits as OBC. Now with this, albeit temporary order, these Muslims will get double reservation that is from 27% OBC quota AND 4% as Muslim castes. This is absolute socio-religious injustice to OBCs who are non-Muslims because these castes are already eating up from their OBC's rightful quota & plus to get added 4% reservation. Giving any reservation based on religion is itself unconstitutional & giving the same group double reservation is a complete injustice. "

VHP Termed it as 'Andhra Pradesh government's attempt to divide Bharat on the basis of religion by snatching educational & job opportunities of Scheduled Castes, OBCs, Tribals & meritorious Hindus. VHP further declared that any such attempt will be democratically, legally & socio-politically opposed by VHP strongly.
